Hi Joe -

They look really nice. Here are my comments,

1. DoubleTree is together (no space between Double and Tree)
2. It's Ports O' Call not Port's O' Call (lose the apostrophe in Ports).
3. The 1st sign for Battleship IOWA - it runs together with the Port of LA logo (it looks like the word Battleship Iowa needs to be shifted to the left a little?)....
4. It looks like all of the PBID and Port of LA logos are a little off - I would start them as far left and as far right as possible (in the same place for all signs and some signs - like Sampson Way and Cabrillo Beach - look different, the logos aren't spread out like the others).

Thanks,
Augie
